

MIDEM LATIN AMERICAN FORUM PROGRAMME

The Midem Latin American Forum - in association with SEBRAE and its innovative project Estrombo designed to support the musical creative economy - will welcome top Latin artists and key industry executives from or working with the market to a one and a half day intensive conference lineup. Part of Midem's High Potential Markets Programme, the event will focus on how to develop the pan-Latin American music ecosystem in an already buzzing global music hub.

MONDAY 26 NOVEMBER
